CORRESPONDENCE. everypondence, on Public Locata, solicited from

AINSLIE, KRATING & CO.

PRIDAY MORNING, DEC. 18, 1868

TENNESSEE PRESS ASSOCIATION. A meeting of the Tennessee Press Association is hereby called at Nashville, on the second Monday in January, 1869, at the office of the Union and American, at 12 o'clock m., upon business of importauce. A full attendance is requested. THOMAS BOYERS, President, HUNTER NICHOLSON, Secretary.

THE WAR IN ARRANGAN

they did. By reference to our special for Memphis and Tennessee than they dispatch from Devall's Bluff, and the can by all the schemes of "corners," our local columns, it will be seen that so were dreamed of. far from a cossation of hostilities upon the Governor of the State, continues his infamies, and has set the seal upon his character as chief among the high-handed freebooters, who, under the guise of law, have depredated upon the people of law, have depredated by the House.

impossible to write or even think tem- ers, to secure the passage of the bill payperately of the state of affairs, to the log for Alaska. Mr. HURLBURT, of Naw consideration of which we invite York, is chairman of the committee, and the readers of the APPEAL. Without intends to proceed at ones in the investicause or pretext, the people of Augusta gation, and will be assisted materially in have been invaded at their very fire- ascertaining the truth of the charges by sides. They have been robbed of their such representatives of the press as have property; they have been driven from been put down in the publication referred their families; the privileges of the mail to with having received a fee." and telegraph have been denied them ; an upauthorized court martial site on A Disparon from New York to the St. permanence, threatening and punishing Louis Daily Democrat of the 16th says: them; they have been torn from their | Cotton dealers say the raturus are very nomes and imprisoned at the will of this UPHAM; indigolties and outrage have been heaped upon the defenceless women and children; trads has been suspended, environing Augusta robbed of everything it could afford for the support of

CHRIST MAS CIFTS! should be made to answer before the whole people of Arkansas. He should be arrested and put upon trial as the author of the rain of the propin to be ther of the rain of the people he has aworn to protect, and punished as like rulers have been punished in times past. The Federal Government has falled to interfere for the people of Arkensasthey must interfere for themselves.

SPECIE PAYMENTS.

The great question for consideration with "press, people and parliament" just now is the speediest and shortest method of returning to "specie payments." The President has had his say, and a good say it is -a say concurred in by more than one prominent member of the Radical party. The press, discussing the Message of Mr. Johnson, have had day evening. She reports that some firtheir say, and now Congress, in a discus- ing had taken place is tween the citizens sion of the bill of Senator Morgan, is about to have a little say prior to the adignature of the latter had been killed was granted by Jodge Durell yesterday, on a petition of about thirty seamen on a perition of about thirty seamen on a perition of about thirty seamen on Americans in Japan. Adopted.

Adjourned. re-scho the "say" they said during the late Presidential canvass, and the press

rai of the most prominent citizens connected the Peruvian flag at Southleast Presidential canvass, and the presidential canvass, and the presidential canvass, and the presidential canvass, and the presidential canvass and the presidential canvass and the presidential canvas and the Hough block, which he saw undermined and put powder boneath, and swears he will ble wind in the Hough block, which he say undermined and put powder boneath, and swears he will be will be formed to any county has been put under manting from leading journals of the North.

NEW TORK.

NEW TORK.

NEW YORK, December 17.—In the case of Whileley to enforce as its view of the matter will be found in the following extract from the following following fr ment in a "nut shell," forcible and per- and set aside. The Jacision virtuali

gold-this is to say, it is a commodity that coromands gold in all the markets of the world except the Southern marof the world except the Southern markets. What becomes of it when it is
ready for tale? It is awapped for greenhacks and sent to the North. What
does the North do with it? It uses it as

Tentors are preparing to construct a tunas to the proper mode of overcoming its
arise to t hacks and sout to the North. What does not to the North. What does the North do with it? It uses it as gold in paying its foreign mercantile halances and keeping up the national credit abroad. There is not the least ofbislances and keeping up the national credit alroad. There is not the least objection to this use of it by the North for its own and Government benefit, but there is an objection to the North paying the planter in paper while it selfs for gold. The planter should demand gold for a gold article. This is the cash system recommended by the National Board of Trade Convention at Cheinnati, and to the South it is simply the just system. And this is essentially true, apart from all political considerations. As it is, we are almply fools at the South for original political considerations. As it is, we are almply fools at the South for original political considerations. As it is, we are almply fools at the South for original political considerations. As it is, we are almply fools at the South for original political considerations. As it is, we are almply fools at the South for original political considerations. As it is, we are almply fools at the convenient of the structure of the stru
